Fundraising Activities

Fundraising allows the Squadron to provide an enriched and diverse program. Without your participation many events would not be possible. Did you know that the 781 Squadron Sponsoring Committee is a registered charity?

If your schedule does not allow you to volunteer, please consider a donation. Government programs will match private donations dollar for dollar, so your donation is doubled for the squadron. Please see the Treasurer, Theresa Bardecki for more information.

BCMB Mystery shoppers are still needed. See Darrell Herrick for more information.

New ideas are always welcomed and encouraged.

The Squadron Sponsoring Committee meets every first Wednesday of the month in the Vecova Boardroom to discuss finances, upcoming events, fundraising and new business. To find us, go through the first set of double doors; turn right, at the end of the hall behind the Atrium go past the desk and waiting room and turn right again. We are on the left hand side.

Next meeting May 4th 2011

New Police check procedures for Volunteers

Parents wishing to volunteer need to be screened by the Air Cadet League and get a Police Check. Several forms must be filled out, you need three references and an interview before a card is issued to you. During the interview we will be calling your references, so please make sure they are available. See Kendra Fisher and Les Juhasz for more information. If you deal with the cadets in any way, you need to be screened.
