## WELCOME BACK CADETS

Welcome to all cadets returning for another training year at 781. We hope you had a safe and fun summer.

### Police check procedures for Volunteers

Parents wishing to volunteer need to be screened by the Air Cadet League and get a Police Check. Several forms must be filled out, you need three references and an interview before a card is issued to you.

During the interview we will be calling your references, so please make sure they are available. See Kendra Fisher and Les Juhasz for more information. If you deal with the cadets in any way, you need to be screened.

### Fundraising Activities

Please watch your emails for notices of the fall start up of the

### Fundscrip

Squadron Fundraiser so that we can continue to receive rebates. See Sandy Stephen for more information or to help you sign up for Electronic Fund Transfers. Please help out the Squadron. The order dates will be announced soon.

Fundraising allows the Squadron to provide an enriched and diverse program. Without your participation many events would not be possible. Did you know that the 781 Squadron Sponsoring Committee is a registered charity?

If your schedule does not allow you to volunteer, please consider a donation. Government programs will match private donations dollar for dollar, so your donation is doubled for the squadron. Please see the Treasurer, Annette Bos for more information.
