FLYING

Cadet Information

- Ground School: ongoing
- Range Team: TBA
- Drill Team/Flag Party: Mondays
- Pipes/Drums: TBA
- Fall Gliding #3: TBA
- Effective Speaking Program: sign up now

Effective Speaking. If you are interested in or want to improve your public speaking, then this is for you. You write a speech, choosing from a list of topics, and practice with the skills taught in the program. You then have an opportunity to present your prepared speech and an impromptu speech. The top cadets from our squadron then compete with other squadrons, then provincially and nationally. This program is a good start in preparing for board scholarships. Please speak with 2Lt Boyce to sign up.

Flag Party and Drill Team will begin practices soon, on Mondays. All cadets are welcome to join the Drill Team from 1930h to 2100h. Flag Party tryouts are complete. Flag Party practices will be from 1900h to 1930h. Please check the forum for updates. Contacts: 2Lt Campbell and CI Au.

Name Tag. Please make sure to bring your name tag each week. If you do not have one, please order one.

Car Pool Requests/Offers. Please see the forum for requests and/or offers for car pooling to the VRRRI.

Absences. Cadets must phone if they are unable to attend cadets. Please call 403 289-1617. Speak slowly and clearly. Leave your rank, last name, first name, and the reason for the absence. It is the cadet's responsibility to be the one to leave the message.

Fundraisers

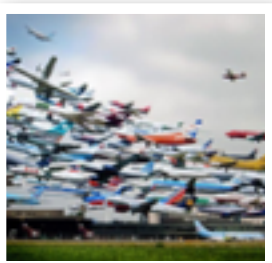

The Fundscrip. Gift certificate fundraiser. Contact: Sue Labine.

Casino Fundraiser. January 29-30, 2012 at Elbow River Casino. Please consider volunteering for a session. Time slots are 1030h to 1900h, and 1830h to 0200h. All positions still open: General Manager, Assistant GM, cashier, chip runner, and count room. No experience needed, training will be provided. Please contact Les Juhasz or Steven May to sign up.

Bottle Drive. More details to follow.

Corporate Sponsorship. Please consider asking your company for a donation. Donation letters are available from Karen Finot. Personal donations are matched dollar for dollar.

Fundraising allows the Squadron to provide an enriched and diverse program. Without your participation many events would not be possible. Did you know that the 781 Squadron Sponsoring Committee (SSC) is a registered charity?

Flying Together: Volunteering with 781

Your participation and involvement is an important part of the cadet program. Parents wishing to volunteer must be screened by the Air Cadet League and get a Police background check. Several forms must be filled out, you need three references and an interview before a card is issued to you. During the interview we will be calling your references, so please make sure they are available. See Kendra Fisher and Les Juhasz for more information or email the SSC (aircadets781secretary@shaw.ca). If you deal with the cadets in any way, you need to be screened. Cards are valid for five years.
