As you can imagine with a Squadron of approximately 200 Air Cadets, there are many costs associated with running a successful Cadet training year. While the Department of National Defense (DND) covers such costs as uniforms, Field Training, Camps etc., the cost of the day to day operation is not covered. We receive some of our operational funds from our participation in the AGLC Casino. The funds raised through the Casino cover about 80% of the rent for our facility. The remaining 20% must be generated through fundraising initiatives.

We have set a FUNDRAISING GOAL of \$40,000 this year!

ACTION IS REQUIRED

Please donate! While Air Cadets is sometimes thought of as free, it is more "free in spirit." If every parent were to donate \$200, our goal of \$40,000 would be achieved, easily!

The Parents Association of 781 Squadron is a recognized Charity with CRA (Registration No. 125593657RR0153) and Tax Receipts can be issued for every donation over \$20.

For those whose employers match charitable contributions, this is a chance to double your donation! It is a real opportunity to give back to the community.
